HANG OUT | COFFEE TABLE

Designed by Jonas Søndergaard

GATHER AROUND, IT'S COFFEE TIME

With its clean and minimal organic shape, as well as the combination of wood and fine metal details, the Hang Out coffee table has a classic Scandinavian expression.

Thin graceful legs attached to a slender metal bracket and sculptured rounded table top give Hang Out a light and airy profile.

Underneath the table top, a special bag is suspended across Hang Out's three legs like a hammock. The stylish two-sided leather and textile bag is perfect for storing small items.

With both a leather and textile side, Hang Out's bag can be easily swapped around to add a different expression to your interior
